

time:matters integrates Flybe into sameday network

Neu-Isenburg, 30th June 2016: With the integration of Flybe, time:matters, the expert for global Special Speed Logistics, is further expanding its sameday network.

By directly integrating the British airline into the time:matters sameday network, an additional 14 direct connections with a total of 450 flights can be offered each week between the English industrial powerhouses Manchester and Birmingham and numerous European centres such as Amsterdam, Berlin and Paris.

“The continuous expansion of our sameday network is highly strategic for us”, said Franz-Joseph Miller, Managing Director of time:matters GmbH. He added: *“It is important to our international customers in particular that we continue to expand our decentralised network. Additional direct connections mean a gain in flexibility and speed for our customers, with maximum reliability.”* This will allow, for example, shipments to be transported from Birmingham to Amsterdam starting from 4 hours from door to door.
