

## time:matters named Bosch Preferred Supplier

Neu-Isenburg, November 26, 2019: time:matters, the expert in worldwide high-performance and Special Speed Logistics, has been awarded Preferred Supplier status by Bosch. For the technology and service company Bosch, time:matters GmbH is therefore a preferred logistics service supplier in the area of “Logistics Services for Global Courier Services”. As a preferred supplier, Bosch honors those suppliers with which the company would like to strengthen and expand its cooperation.

time:matters and Bosch have already been working together very successfully since 2014. The special speed experts provide particularly competitive services for the company’s global production sites and divisions through tailor-made logistics solutions designed to facilitate time-critical material supply. In addition to speed and reliability, the transports are also based on an individual and flexible service.

“Being awarded Preferred Supplier status is fantastic confirmation of our successful cooperation over many years,” says a delighted Alexander Kohnen, CEO of time:matters GmbH. “This recognition underscores the success of our long-term service excellence and quality strategy.”

time:matters has provided especially competitive transport services over a longer period of time. Transparency and seamless communication via dedicated contact persons at all stages also counted in the evaluation. Bosch awards Preferred Supplier status annually for 12 months at a time as part of its supplier management program. The program aims to establish long-term business relationships and promote shared global growth with the best and most innovative suppliers.

### **About time:matters**

time:matters is the expert for particularly urgent transports and complex logistics. Urgently needed spare parts, medical samples, dangerous goods and important documents are transported quickly and reliably from A to B via air, rail and road and if required also personally accompanied via On Board Courier. This is made possible by a global network with more than 500 courier partners and airlines. time:matters generally has access to all available airlines and can therefore utilize a wide range of flight routes: more than 3,000 connections a day to over 500 destinations in around 100 countries. Besides speed and reliability, providing an individual, flexible service is paramount. time:matters is available 365 days a year, 24 hours a day, whenever tailor-made, customized logistics concepts are needed – for everything from ad-hoc situations through to regular business. time:matters has achieved ISO 14001:2015 environmental

certification and ISO 9001:2015 certification. The company employs more than 370 people and operates its own terminal for express and courier shipments at Frankfurt Airport. By acquiring CB Customs Broker GmbH in 2018, time:matters incorporated decades of customs clearance and cargo handling expertise. Services covering all standard customs procedures are available as well as complete solutions tailored to individual client needs, including digital solutions for e-commerce customs clearance. CB Customs Broker is an “Authorized Economic Operator” and has been AEO-C certified since 2013. time:matters GmbH has been AEO certified since April 2019.
