

time:matters significantly expands Sameday Air service between Europe and USA via Paris

- Increased network density between Paris and ten US Sameday Air stations
- Over 30 additional direct flights per week
- Guaranteed dispatch of time-critical shipments

Neu-Isenburg, June 9th, 2021: More connections for guaranteed freight capacities: Logistics expert time:matters has significantly expanded its Sameday Air service between Europe and the U.S. via Paris. Additional direct flights to key destinations in the United States and Europe provide a unique network density. Herewith the specialist for time-critical shipments offers even faster and more attractive solutions.

Customers now have access to more than 30 additional direct flights per week between Paris (Charles de Gaulle Airport) and ten stations in the United States. Thereby shipments reach Atlanta, Boston, Chicago, Detroit, Houston, Los Angeles, Miami, New York, San Francisco and Washington D.C. v.v. as quickly as possible. In addition, numerous feeder flights between nine European countries and Paris strengthen the logistics expert's network. From the 13 stations Barcelona, Berlin, Budapest, Geneva, Gothenburg, Hamburg, Copenhagen, Madrid, Milan, Porto, Rome, Stockholm and Warsaw, highly urgent shipments will now be transported to Paris. The service is supplemented by flights within France from the six French metropolitan regions of Bordeaux, Nantes, Lyon, Nice, Marseille and Toulouse to Paris.

time:matters guarantees the transport of time-critical shipments up to 38 kilograms chargeable weight, short handling and transit times from 120 minutes, as well as a high loading priority. Shipments can also be picked up and delivered upon request.

"We are pleased to offer especially our customers in the U.S., France and the Benelux countries even more attractive and faster transport solutions via our comprehensive Sameday Air network with the numerous direct connections," explains Alexander Kohnen, CEO of time:matters. "In particular in these challenging times with tight air freight capacities, we support our customers in the best possible way to maintain their supply chains." Above all, customers from the aerospace, mechanical engineering, electronics and automotive industries, as well as from the life science sector, will benefit from the new fast direct connections between Paris and the USA.
