

## In cooperation with Air Europa: time:matters expands Sameday Air service offering

- In an expansion of its Sameday Air network, time:matters has added direct connections with several flights daily
- Additional connections and distribution within Spain with fast reloading and forwarding
- Quick and straightforward offer generation and booking via the time:matters website

Neu-Isenburg, March 01, 2022: More flexibility in Europe: time:matters, the expert in time-critical express transports, has further expanded its Sameday Air network in cooperation with Air Europa. Additional cargo capacity is now available via the airline's Madrid hub. As a result, several daily flights can now be offered to a total of 14 stations between Madrid and Germany, the Netherlands, Portugal and Italy as well as within Spain. This provides a unique network density.

time:matters ensures the guaranteed consignment of time-critical shipments with a chargeable weight of up to 38 kilograms within the entire global Sameday Air network. This is achieved thanks to short handling times of 60 minutes or more and consistently fast and flexible transport solutions. Quick transit times of just 60 minutes at the Madrid hub also guarantee rapid distribution of shipments across Spain as well as to and from other countries, not only via the Air Europa network but also in partnership with various other airlines. Shipments can also be picked up and delivered on request.

As usual, customers can submit transport requests via the time:matters website in just a few clicks to get a real-time quote. Prior registration is not required. From the options displayed, the cheapest quotes or fastest transport solutions can be compared and directly booked. In this way, time:matters ensures a high degree of efficiency, transparency and flexibility. What's more, Customer Service teams are available around the clock to provide advice and support as well as look after all steps along the transport chain.

Lars Krosch, COO of time:matters, stated: "By expanding our unique network once again in cooperation with our new partner Air Europa, we can offer our clients fast and highly efficient transport solutions within Spain and a multitude of other countries. In this way, we are helping customers from a wide range of industries to maintain and optimize their supply chains as best as possible and avoid time-consuming and expensive direct delivery. Through the global Sameday Air network with more than 200 stations and over 20 airlines, we ensure the fastest transports, guaranteed capacity access and the greatest possible flexibility."

**About time:matters:**

time:matters is the expert for time-critical express transports. Urgently needed spare parts, missing production equipment, medical samples, dangerous goods and important documents are transported quickly and reliably from A to B via air, rail and road and if required also personally accompanied via on board courier. This is made possible by a global network with more than 500 courier partners and airlines. time:matters generally has access to all available airlines and can therefore utilize a wide range of flight routes. Besides speed and reliability, providing an individual, flexible service is paramount. time:matters is available 365 days a year, 24 hours a day, whenever customized logistics concepts are needed – for everything from ad-hoc situations through to regular business. time:matters has achieved ISO 9001:2015 certification as well as ISO 14001:2015 environmental certification and compensates CO2 emissions of all airmates on board courier transports. The company employs more than 330 people and operates its own terminals for express and courier shipments at Frankfurt and Munich airport. By acquiring CB Customs Broker GmbH in 2018, time:matters incorporated decades of customs clearance and cargo handling expertise. Services covering all standard customs procedures including digital solutions for e-commerce customs clearance. CB Customs Broker is an “Authorized Economic Operator” and has been AEO-C certified since 2013. time:matters GmbH has been AEO certified since April 2019. time:matters (Shanghai) International Freight Forwarding Ltd. was established on June 1, 2019. The company supports customers locally, from booking to issuing air waybills and local invoicing. The launch of time:matters Americas, Inc. took place in July 2020 as part of time:matters' internationalization strategy. The US corporate affiliate, headquartered in Miami, Florida, caters to both national and international customers.
