

# Your Special Speed Solution from Romania towards Europe

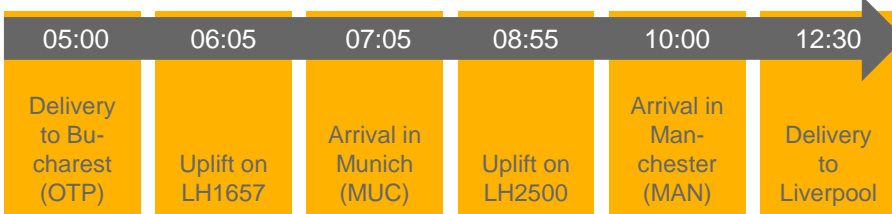

Do you have time critical shipments from Bulgaria to major European Automotive centers? Have you been facing the risk of line breakdowns due to production parts arriving too late? Then you need a dedicated and reliable service!

## Your solution

1. Pick-up in Romania or drop-off at 3 airports: Bucharest (OTP), Timisoara (TSR) or Sibiu (SBZ).
2. Shortest export handling time of 60 minutes.
3. Flight to any European industrial center.
4. Shortest import handling time starting from 45 minutes.
5. Dedicated delivery to your customer site.

## Shipment example to Liverpool in 7,5 hours

- Wolfsburg within 7hours
- Ingolstadt within 4hours
- Madrid within 7hours
- Oporto within 11hours
- Paris within 7hours
- Gdansk within 6hours

## Your advantage

-  **Speed:** Shortest handling times, shortest transit times, highest loading priority.
-  **Network:** Fastest service on the best intra-European Sameday network.
-  **Flexibility:** Several transport options: airport-airport, door-door, acceptance on short notice.
-  **Availability:** 24/7 availability of our Customer Service team, proactive status updates and active tracking of each shipment.
-  **Competence:** time:matters as single point of contact for all urgent shipments: **Express Airfreight, On-Board Courier or Charter.**

**24/7 booking & service line:**
