

Your Sameday Service between Europe and the United States of America – fast and cost-effective.

Are the goods arriving too late at the production site due to long transportation times?

Is your current alternative using an On-Board Courier service too expensive or do you even send own employees to reach the destination in due time?

Do you have time-critical shipments to/from the USA?

Your solution

From Europe to the US.

1. Pick-up anywhere in Europe and forwarding to Frankfurt (FRA) via air (Sameday Air), rail (ic:kurier) or road (Direct Delivery) or direct handover at FRA.
2. Export customs clearance.
3. Flight to one of the 48 destinations in the US.
4. Import customs clearance.
5. Delivery directly to the production plant.
