

# Jambo Africa! - Your Special Speed Solution for Africa

Do you have urgent spare parts, important documents, or other time-critical shipments, which have to be delivered to/from Africa? By extending our highly efficient standardized high-performance global network to Africa, we are now offering you 30 stations for your urgent or sensitive shipments with the fastest handling and transit times combined with highest loading priority.

## Your solution:

- Direct flights with Brussels Airlines (SN) to/from Brussels and with Lufthansa (LH) to/from Frankfurt and Munich
- 16 stations connected by Brussels Airlines and 16 stations connected by Lufthansa
- time:matters seamless monitoring and physically supervised apron loading at Brussels Airport (BRU), Frankfurt Airport (FRA) and Munich Airport (MUC)
- No weight limit\*

## Your benefits:

### Network:

30 stations in Africa, combinable with time:matters worldwide network.

### Speed:

Fast transit starting at 60 minutes through direct aircraft-to-aircraft transfer, handling starting at 90 minutes.

### Reliability:

Active shipment monitoring, physically supervised apron loading, no consolidation and no mixed loading with other cargo. Tailormade solutions based on individual requirements possible.

### Pricing:

Standardized pricing applicable.

### Flexibility

Pickup, delivery and customs clearance upon request.

### Availability:

Experienced logistics experts available 24/7.

\* limited to aircraft type
