

Your Special Speed Solution to Morocco

Do you have urgent spare parts, important documents, or other time-critical shipments, which have to be delivered to Morocco? Maximize your production times by using the option of latest delivery to the export station: You can produce until the early morning and deliver your goods to Frankfurt until early afternoon using the evening flights to Casablanca.

Your solution:

- Pick-up anywhere in Europe and forwarding to Frankfurt via air, rail or road
- Latest acceptance time starting 90 minutes prior to departure
- Time of availability early next morning or 2 hours after arrival upon request
- Export customs clearance
- Loading on Lufthansa or Royal Air Maroc to Morocco
- Delivery directly to the production plant

Your benefits:

Network:

Fastest service on two direct flights from Frankfurt to Casablanca enables the usage of many feeder flight.

Speed:

Shortest handling times due to direct apron access to Lufthansa and Royal Air Maroc flights via our time:matters Courier Terminal (tmCT) in Frankfurt.

Reliability:

Active shipment monitoring, physically supervised apron loading, no consolidation and no mixed loading with other cargo. Tailormade solutions based on individual requirements possible.

Flexibility

Several transport options: airport-airport, door-door, customs clearance. Also hauling the shipment from anywhere to Frankfurt.

Availability:

Experienced logistics experts available 24/7.
