Sameday Air – the fastest air cargo service

Do you have urgent spare parts, important documents, life-saving medication or other time-critical shipments, which have to be delivered to/from Europe, Israel, North America or Asia? Our highly efficient, global Sameday Air network offers you 135 stations for your urgent shipments with the fastest handling and transit times and highest loading priority. Your shipments can be easily booked and tracked online via **time:matters** online.

Your benefits at a glance:

Network:

135 stations around the globe. More than 21 airline partners and over 100 courier partners worldwide. Pickup, delivery and customs clearance possible.

Speed:

Fast transit starting at 45 minutes, late acceptance/early availability prior to departure/after arrival from 90 minutes.

Quality:

Active shipment monitoring, no consolidation and no mixed loading with other cargo, proactive status information.

Pricing:

Standardized pricing for all shipments.
The calculation is based on chargeable weight.

Fast quote:

Shipments can be booked and tracked online. The order confirmation is sent shortly after booking.

Availability:

Experienced logistics experts available 24/7.

Note:

Transport of UN 3373 and lithium-ion batteries possible.
